### **PHYSICAL REQUIREMENTS AND WORK ENVIRONMENT**

- This position is primarily a field position, requiring the ability to sit; talk or hear; stand; walk; use hands to finger, handle, or operate objects, tools, or controls; and reach with hands and arms.
- The employee must frequently lift and/or move up to 50 pounds.
- Vision requirements include preparing and analyzing written or computer data, operating motor vehicles or equipment, and observing general surroundings and activities.
- While in the field or at job sites, the employee may be required to stoop, kneel, crouch, or crawl. At job sites the employee may work near moving mechanical parts and in high, precarious places and may be exposed to wet and/or humid conditions, fumes, or airborne particles, toxic or caustic chemicals, risk of electrical shock, and vibration. The noise level is moderate in office settings, and loud in the field or at job sites.

*The physical demands and work environment described are representative. Reasonable accommodations may be made to allow individuals with disabilities to perform the essential functions.*

*These duties are samples of work that may be performed. Failure to specifically list a duty does not exclude it from the position if the work is similar, related or a logical assignment to the position. The job description does not constitute an employment agreement between the employer and employee and is subject to change with future needs.*
